LINCOLN COUNTY TAX PROBLEMS EXPLAINED

A SERIES OF TIMELY ARTICLES DEALING WITH COUNTY AND CITY

The variation in the taxes for school purposes in Lincoln county is not confined to the city and village schools. In the rural districts one finds a variety of conditions and a wide variation in the rate of taxation. The present study is taken on the amount of tax paid on each \$1,000 valuation. For instance a man in district 129 who has property assessed to the amount of \$1,000 paid \$3 in taxes for the support of the schools in that district. In District No. 113 a man with the same property assessed at the same amount would pay \$37 for school purposes. On the same basis we have selected the five districts where the tax paid on each \$1,000 valuation was the highest and where it was the lowest. Here they are:

District	Amount
113	\$37.00
133	\$35.00
131	\$32.00
126	\$26.00
100	\$25.00
129	\$ 3.00
27	\$ 4.00
23	\$ 4.00
9	\$ 4.00
5	\$ 4.80

The above are the extremes. No attempt is made here to analyze the causes but it is probable that there are good reasons and it is almost certain that if the quality of the school were examined the reason would be apparent.

Note: In our issue of July 4, the table was on the basis of per capita tax for school purposes. It should have been the tax per \$1,000 valuation for school purposes. The figures were correct but the heading was wrong.

Miss Beryl Jeter arrived home yesterday from Los Angeles, Calif. to spend the rest of the summer with her parents Mr. and Mrs. J. B. Jeter. Miss Jeter is instructor of music in the schools of Los Angeles.

The Rotary Club was entertained yesterday by a Mr. Duncan of Omaha who spoke on the proposed International bank as a cure for the world's financial depression. He said it would enable the bankrupt countries of the world, those which had no gold, to place their property up as credit upon which they could buy in the markets of the world. In this way the United States which controls most of the gold would be able to sell to these nations upon guaranteed securities. The idea sounded good and many of the Rotarians will look into it further. The bill is being urged in congress by Senator Hitchcock.

PITMAN—SWANSON

A very pretty home wedding took place last evening at the home of Mr. and Mrs. Swan Swanson, 903 West 3rd St. when their youngest daughter Helen became the bride of Len Harvey Pitman. The rooms were tastily decorated with smilax and cut flowers, pink and white being the color scheme. The bridal party entered to the strains of the Lohengrin Wedding March played by Miss Dorothy Rosencrantz. The maid of honor was Mrs. Grace Daniels, sister of the bride and the best man was Floyd Daniels. Rev. Koch of the Lutheran church read the marriage ceremony. The ring service was used. Only members of the immediate family were present. After the ceremony a bountiful four course wedding supper was served. The bride was dressed in a gown of sheer white organdie and carried a beautiful shower bouquet of bride's roses. The maid of honor wore a gown of blue organdie and carried a bouquet of pink roses. The bride is well known in North Platte, being a graduate of the local high school. Mr. Pitman is employed at the Post Office. WHO'S WHO OF THE CANDIDATES

A SHORT SERIES OF ARTICLES ABOUT THE PRIMARY CANDIDATES

There are three candidates for nomination for County Clerk A. S. Allen is the only republican, Theodore Lowe is the only progressive while Mr. Lowe and H. S. Haskins will contest for the Democratic nomination. Mr. Allen is the present incumbent. Mr. Lowe is a Union Pacific employee and Mr. Haskins is a farmer living in the valley west of here.

There are four Republican nominees for county commissioner. They are E. H. Springer, Nath. Bratten, John Ginnapp and G. D. Eells. Mr. Eells is the only Progressive candidate and Chas. Jackson is the only democratic aspirant. These men all live in the east part of the county because they are candidates for commissioner from the second district which is composed of the eastern half of Lincoln county.

Our attention has just been called to two omissions which we have made in our former articles. We did not intend to omit John Burke, a candidate for State representative on the Progressive and republican tickets. His address is Maxwell. Nor did we intend to omit the name of E. B. Payne of this city, who is a candidate for the Progressive nomination for county treasurer.

E. E. Carl left Saturday for Kearney to transact business for several days.

Miss Vivian Silver of Holdrege visited at the Keith Moorhouse home last week.
